The work presses on. Please continue to pray for us. We are encouraged by and grateful for your support every day. Thank you!

Work in Porirua and Wellington

Napier Trip

A few weeks ago, we travelled the four hours northeast to Napier. It's always a pleasure to preach for and encourage the church in Hawke's Bay. The encouragement is always reciprocated. We decided to drive up a couple of days early and spend some time at Kennedy Holiday Park. The weather was perfect (rumor has it the weather is always nice in Napier).

Baptism

We were so pleased to witness Kobe Toa's baptism. His father has been studying with him, and one Wednesday night, he decided to obey the gospel. Silas is tall enough now to peer over into the baptistry without someone holding him up.

Spring into Tawa

This past Saturday was Spring into Tawa, an annual local market. We had dozens of visitors to our booth, and we were able to develop 26 contacts, four of which asked for Bible studies. [Please view the video with more information here.](#)

Studies

My studies with Pau continue to move in a positive direction. I have been invited to preach for the Zomi Christian Fellowship again this coming Sunday. I also plan to introduce them to some new hymns.

We have three other weekly and fortnightly studies going at this time.

Bear Valley Bible Institute-New Zealand

We are so grateful to have had Bill and Pam Stewart from Denver with us this past week. All together, they taught for about fifty hours. Bill and Pam taught a marriage enrichment seminar for the church in Wellington. Pam taught an Evangelistic Women seminar in Porirua. And Bill taught a short course on Revelation for BVBINZ. Could you imagine studying through the entire book of Revelation in four days? The students studied with Bill from 8am to 4pm for four days in a row. It is clear Bill is the man for the job. He knows the book well.

Today, I finished the first section of three in my Life of Christ 2 class. Graduation is in five and a half weeks. We are now working on the schedule for the next term.

Clouded by Emotion: Studies on the Holy Spirit and Miracles

My new book has been available for a month now, and it has been received very well. The Introduction to the book tells the story of how I met Danny back in 2013. Some of you may remember him, as I reported on my studies with him for many months. If I had not knocked on his door, I doubt *Clouded by Emotion* would have ever been written. I took a copy to Danny the other day, and he was elated. He assures me he will be sharing it with his family. He will even use it in his studies with his youth group. Pray for seeds to be planted and watered. You can read more of the story at this link.

The offer to our supporters for free copies is still out there. If you would like a copy of *Clouded by Emotion* (either paperback or Kindle), just let me know.

Family News

We're pleased to announce that the Chris Rich family has received their New Zealand visas. We look forward to having Kristen's brother and his family living and working so close to us. They are due to arrive on 11 December. If the Lord wills, they will work with the Hutt Valley church for three years. We are still waiting for their friend and co-worker, Todd, to also receive his visa.

Now that Silas is five, we had to renew his passport. Thankfully, we did not have to travel to Auckland to do so. The US Consulate made a visit the the Embassy this past week, and we were able to do it in Wellington. While there, we had a brief encounter with the American Ambassador, which was neat.

We have a busy month ahead of us. The days are getting longer and warmer. We look forward to a warm, productive summer.

We are thankful for you every day. Please keep our family and our work in your prayers. God bless you. Keep serving Him.
