Dear brother Paul Sullivan, salutes in Jesus Christ to you and your family and to all the beloved brothers and sisters in the Lord's Church in Dalraida. I'am always give thanks to my God for you, for the love which you have towards the needy christians and for your kind genorosity and for your help and support. Kindly find the attached document, which contains the news on my village evangelism work for the month of Setember 2019. Kindly find the attached document.

On Thursday 9th September, for the first time I had travelled to Nizamabad to teach the Bible in onde day Bible class in Nizamabad. One of the church member in Miyapur, condcuted the Bible class in their native village in Nizamabad. His dad is a gospel preacher in that area, along with his parents and the few church members in that village and 15 above denominational preachers were attended for the bible class. I taught the lessons on the Truth about the "Prayer". After my teaching, I had received many questions from the denominational preachers who attended to the class. When they learned the Truth about the prayer and it's important, how should our prayer must be, to whome should we pray, through whome we have to ask. Is it right to pray directly to Jesus Christ, and it is right to pray directly to Holy Spirit ?. When they learned all the answers for the questions and the right explanations from the word God, they felt very happy and invited me regularly every month one day to condcut the bible classes in their village
