

Mission Report for December, 2019

Canaan church of Christ, Tobago, West Indies

Hello Beloved brethren,

We are in the final month of 2019. We continue to work in the vineyard here in Tobago. The Kingdom here is growing fast and we continue to help members grow spiritually. Please send us your feedback and questions and we will respond. Here is our report:

Period: 1st to 31st

Theme: Godliness with contentment

Book: Book of choice

School ministry: Religious Instructions is paused for the holidays.

Lessons done:

- Did it bother Noah?
- God has everything prepared for you. (Preached at Mason Hall)
- A happiness that is out of this world!
- Look out for deceivers.
- Are you running after money? (2 Kings 5:15-27)

Family building: -Our nurturing class is in the process of doing something NEW! We are now visiting each other in the group to strengthen and build on our relationship, and every week we will be working on a worksheet to feed our spiritual man.

-We continue to work with visitors/contacts and keep in touch with them for studies

Plans for the church: -We have already planned out our year 2020 Lord's willing
-Installing a Bible resources library at our place of worship

Thank you! You continue to support and contribute to our spiritual and financial support in the work here in Tobago. May God bless you and we ask for your continued prayer and support as we grow the Lord's Kingdom here on this island during this year 2019 and as we head into 2020!

With thankfulness,

Adrian Sookdeo

Dear brothers, If you are unable to present your 10-minute exhortation for a particular Tuesday, please accept the responsibility of designating another brother to fill your place or switch dates with another with mutual consent. God bless as we examine, study and present God's word to build up the congregation at Canaan.
