OCTOBER – 2019

Work in Aruku Mountains and Tribal villages : In the month of October, along with my wife and with the help of two other co-preachers I had visited to Aruku, Chinthapalli Tribal villages. On October 1st to 4th I had visited to four different villages in Aruku and Narispatnam areas. On 1st October morning I had preached the gospel of Christ in Budamalputt village, where 40 above men and women were attended for the meeting. Most of them are from Idol worshippers and one family who attended to the meeting are from Atheist (They don't believe the existence of God). I preached the lesson on "How do we know there is God". Acts 14:7-14, Psalm 147:4-5, Psalm 19:1-4, Acts 17:22-31. My sermon lasted for one hour 35 minutes, after my lessons, I had invited the men and women to ask any questions in regard with the lessons which I had taught to them. They did not ask me any questions, but I had got great response from the men and women. Especially the family who don't believe in God, they came forward and confessed that they are in wrong in their thinking about God and His existence. But now they had believed that there is a Creator in the heaven who had created the universe and one who had sent his son Jesus to save him. When the local preacher and the remaining people heard their words, we all felt rejoiced and given thanks to God. After that meeting, I came to know from the local preacher from the Budamalputt village, one who has been Atheist in the past, now they become believer in God and attended for all the church meeting.
