JAIMEE NEWBOLD!

Another New Convert converted a friend.

On January 25, 2020 Jaimee was baptized into Christ. The angels rejoiced as this young woman determined to leave the denomination where she was active and involved because of the convicting truth of God's Word. Jaimee has been having struggles with time management and priority. She is determined not to turn back to the false practices of the denomination she left, but she has been overextending herself and must stop to reprioritize.

Please keep her in prayer as she adjusts to a lift where God is first, above all.

During our Bring-A-Friend Day in 2019, **TREVOR** visited with his wife who is a sitting Member of Parliament. The sermon was about the church and the "needle hidden among needles." He was very interested and we offered a study then gifted him with one of the Muscle & A Shovel books. He spent time in the book this year and called requesting to meet in person because he has "lots of questions!" This meeting will be on:

Thursday February 13th.

NEW CONTACTS are being sought in an effort to revitalize the Bible Studies for both me and Shameika. She is completing one from 2019 during February that would be a wonderful addition to the kingdom. It is a questioning and kind College Math Professor.

I am now seeking to establish new studies as I plan and organize all church events and teach classes. The normal work continues as the evangelistic effort (the Main Focus) actively persists.

Hurricane Relief Effort Update

Once again, like we do every Saturday as a group, we were in the community. We are still working on taking over 1,200 conspicuously labelled water bottles to homes as part of the relief effort. We have been able to show our bright lime green shirts in the community and we are still praying with Every. Single. Family. People are consistently, commenting "I know you all... I listen to the radio program!" We are so thankful for this. Please keep this program in prayer!

We have also ordered furniture and more roofing tar paper for hurricane victim families. These acts of kindness by members of the Lord's Body (namely YOU) has been a huge blessing for this work! We are grateful to you and the staff and elders of Central and Palm Beach Lakes churches for being the go-between for the funds and shipping.

January Fellowship Night

PRAYER REQUESTS

Please pray that:

- Trevor will accept the truth on Thursday.
- More hearts will give the Word a chance as we serve the victims of Hurricane Dorian.
- The church will grow in knowledge of the Word and in numbers.

Thank you for reading this email.

Thank you for supporting this work.

That men may glorify our Father in heaven (Matt 5:16)

Tavaro Hanna
