

Mission Report for June, 2020

Canaan church of Christ, Tobago, West Indies

Hello Beloved brethren,

We continue in lockdown mode. Our borders are closed, gatherings are allowed up to 25 persons and worship gathering is allowed but with calculation of per square feet (to ensure social distancing). Our schools are still out. Nevertheless we continue to do outreach, studies and worship here on the sweet isle of Tobago. This is our report for the month of June.

Period: 1st to 30th

School ministry: Schools closed until September 1st

Lessons done: -Is Jesus your Master or your Lord? (Matt 26:17-49)

-Don't take it personally! (1 Samuel 8)

-Know when to be silent (Exodus 14:1-14)

Our family

COVID 19 has brought pain, hurt and frustrations, but it has also brought many blessings. We have come out of hiding within our comfort zones and have expanded our outreach of the gospel.

-A visitor on our zoom sessions was studied with by bro Michael Stewart and she gave her life to Jesus!

-Our worship was limited to one hour, and after bro Michael's message, another visitor responded to the gospel call. Two souls dedicated to Christ because of our circumstances. I am continuing nurturing studies with them to provide them (as babes) with fundamentals and build their knowledge and conviction in Christ.

-We are still more than willing to lend support, prayers and assistance if anyone should be in need (this is to our supporters as we know that around the world especially the USA continues to be hit with this virus.)

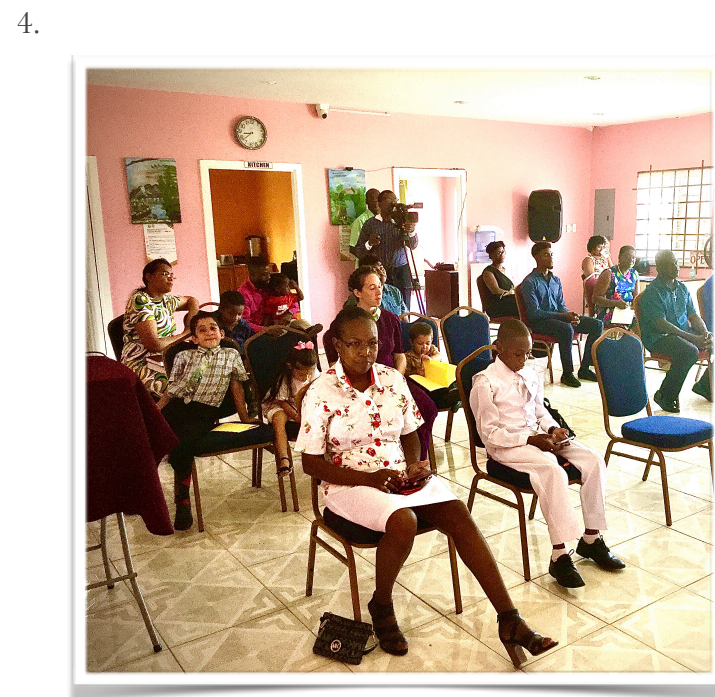

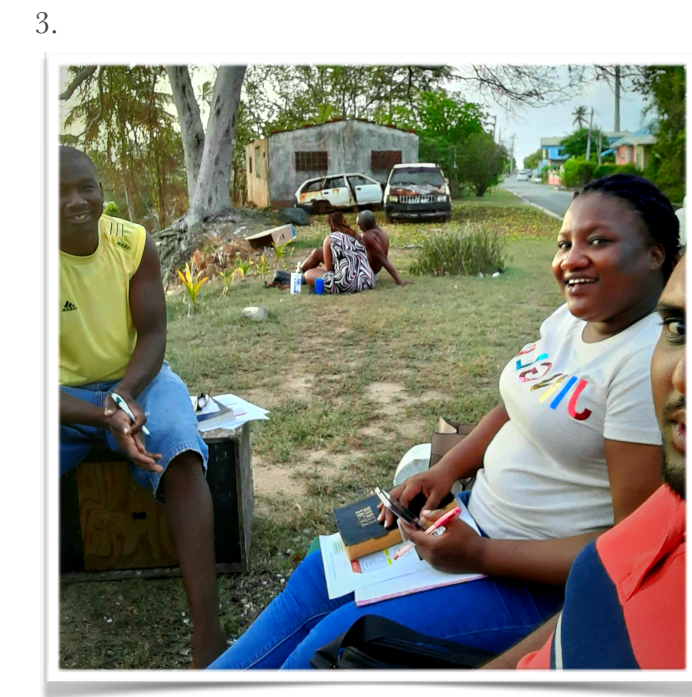

-Please feel free to Zoom or Skype with our family for any question, concerns, encouragement or discussion. We are more than happy to do that as I am unable to get a VISA to come to the US due to my entire family being US citizens.

Continue to work with us, pray for us and support us as we work for the Lord here on the island of Tobago.

With thankfulness,

A handwritten signature in black ink, appearing to read 'Adrian Sookdeo', followed by a dotted line.

Adrian Sookdeo

1. By the waterside at 7:30pm to **Baptize sis Monega Ayers** into Christ. She was invited to our Zoom sessions. She couldn't wait any longer- straight from work, freshly braided hair, dismissed her fear of the water (she witnessed a tragedy in the water) and obeyed the Gospel.
2. Touched by the message preached by bro Michael Stewart on a Sunday morning (our first in-person gathering since lockdown) **Bro Roger Roberts was baptized** into Christ. He has a passion for the lord.
3. Our nurturing sessions have been going very well and we all have a great time sitting by the seashore, watching the sunset, while discussing God's word.
4. Our very first in-person session since lockdown had been announced. It was refreshing and rewarding!
