### HE'S HERE!

The first update for 2021 events is the birth of our son. We are proud and thankful to present to you,

### HONOUR ABLE T. HANNA

My wife insisted on him carrying my name so it's hidden there and I am so excited. Honour's birth was safe and he had no complications in delivery. He was born on January 30th one day before Faithful Leigh who turned two years old and is awaiting her own little celebration. We have lots of photos to share at the end of this report so keep reading!

### Studies

Adjusting to being a family of seven has temporarily diverted our attention but we are already settling into a new schedule which will accommodate our studies. *Both of us!* Shameika is setting up studies with our immediate neighbor and a cousin who will be able to come to our home. I am seeking new studies in the area. Members are working on their list of 2021 Study prospects and some of those studies are well underway. We are staying abreast of the progress of each and praying for the seed in those hearts.

### SEVEN MINUTES

Between services, the men have started presenting "seven minutes of..." which is a tip on any variety of topics. The goal is to provide useful information while acclimating those who have never spoken publicly to standing before an audience. Eventually of course, we hope to have devotionals from each of the men after the mid-week Bible class. Brother McBride who was converted last year presented on how to change a tire which helped calm the nervousness he encounters at each public prayer and was appreciated by the women.

## CLOTHING DRIVE & WEBSITE

We are planning our first clothing drive for the community where we hope to attract studies! Everyone is chipping in and we expect a positive response. We will encourage visits to services and hope to gain studies from the effort!

The congregation has been maintaining a Facebook page where sermons have been streamed and shared as mentioned in a previous update. Although Scriptural and presented in love, since the sermons may include some unpopular facts about the morality of the world and God's requirements for repentance and salvation, we believe it is possible at anytime for us to be shut-down by Facebook. We plan therefore to build a website in the next few weeks where the sermons can be uploaded and more safely stored.

## COVID-19 UPDATE

### In The Clear

All appears to be clear as it relates to COVID-19. We are under a curfew but it does not go into effect until 11:00 nightly, so the church's activities such as our recent prayer meeting and normal Bible class and worship are not interrupted.

## Prayer Requests

Please pray that:

- Restrictions will continue to be relaxed
- Studies will be plentiful.
- We will convert more men.
- The church will continue to grow.
