

Hanna Missions

SEEK • DO • TEACH • EZRA 7:10

Daniell Did It!

In our last report, we mentioned the Bring-a-Friend Ladies Class and the attendee (of the group of visitors) we had a photo of, was Daniell (without an e on the end).

Daniell is married with two daughters. She is currently in a battle for her health after being diagnosed with uterine cancer. She is a seeker. She requested baptism and was determined to do it. After an extensive discussion, at 10:00 p.m. on June 6th, she was immersed into the death of Christ for the forgiveness of her sins!

Mid-way through 2021, Danielle is the first convert of the year. She has lots to learn and we are eager to teach!

New Study

Another of the Ladies' Bring-A-Friend class, was Keisha. This young housewife who has recently agreed to study several times each week. She is religious-minded but 'unchurched' and therefore, open to hearing the gospel of Christ. She is the best friend of a member of the congregation and those studies are happening in that member's home with Shameika.

Rejoice

"...there is joy in the presence of the angels of God over one sinner that repenteth."

Luke 15:10

What's happening in the EMR cOL

CLOTHING DRIVE STUDIES

The May Clothing Drive resulted in three contacts being obtained but one study coming to fruition. After four in-home studies that seemed to go quite well, the individual cancelled. We will try another clothing drive this fall and make a push to obtain more contacts during the effort.

CHURCH RETREAT

Excitement is at a peak in the congregation surrounding the upcoming congregation-wide retreat. We will spend a holiday weekend together studying, praying and fellowshiping one with another. We will be happy to report on those results in the July-August report.

COMMUNITY GARDEN

We are now weeding twice each month at Papadillies and a well is scheduled to be dug in July. There has already been interest from the government's *Department of Agriculture*

to register the garden, but we opted to remain fully independent of government funding, influence and related support.

What's happening in the EMR COC

DISFELLOWSHIP

We are sad to report an instance of pending disfellowship. The congregation was helping to pay the rent of a new convert who was reported by her roommate and another member to be involved in adultery on separate occasions. This individual has been directly confronted regarding the situation and the details have been brought before the congregation. As commanded in 1Corinthians 5, disfellowship is the only course of action available due to a shocking lack of remorse and contrition. This fallen saint has even attempted to slander the congregation because of the loss of support. We are striving to prevent further damage in the most godly way possible.

SERMONS

The apologetics series has been completed and we have now come to a new series on

Repentance

You are invited to watch sermons on our Facebook page EMR COC. This is a great way to ensure the doctrine being taught in the name of Christ and supported by your family or congregation is aligned with the Scriptures.

BIBLE STUDY

The congregation is on the precipice of completing an overview of the Old Testament which has been in the process for several months. The teacher is Madio Smith (mentioned in previous reports). This is a first-time experience for several (including the teacher). The lessons are closely monitored.

LADIES CLASS

The Ladies Class is going strong and is working on a Marriage Divorce Remarriage series discussing issues and the Scriptures. Interesting questions have been asked such as "is a prenuptial agreement wrong?" and "Is sharing a bank account a must?" Requests for more teaching on marriage have been made.

WE MOVED!

We were living in a 900 sq ft apartment and with addition of Honour Able, the space for seven people is too small. We have relocated to a more suitable space which will accommodate the size of the family with better ease. It is not a house of our own but will provide about 200 sq ft in extra space and is owned by members of the congregation which is a bonus.

Honour Able is five months old and sitting up on his own for short periods. He is healthy, happy and spoiled by his sisters!

Prayer Requests

Please pray for the:

- Ongoing studies.
- Fallen member to repent.
- Papadilly Community Garden to open doors for studies.
- Men of the congregation to convert more men.
- Truth to always be preached in our congregation.
