

# Hanna Missions

SEEK • DO • TEACH • EZRA 7:10

For the first time, the husband of another member (not Daniell mentioned last previously), was among the saints and we believe the contact made during those days was a wonderful start to what we hope will be a study of the Word.

## Marriage Retreat

November 2021 was the first time since 2019 the congregation was able to hold the marriage retreat. Couples being together for the weekend was a wonderful opportunity to remind each family of the importance of unity and godliness in the home. Activities included Bible Study, discussions on key topics such as the tools for a good marriage, and tasks such as making a meal together for the group, and team strategy games. Everyone was enriched by attending and look forward to the 2022 meeting.

## New Studies

Studies with men mentioned in the last report all started well but commitment from the men in each case faded which is the common theme resulting in the ratio of women to men being 3:1. We are extremely hopeful however, that for the first time a study with both husband and wife has begun and families are going to be targeted in the new year.

## MOVING DATE

The goal is for the congregation to be in the new building by the end of February since we could not meet the December deadline. We are looking forward to move-in day! We have door-knocked in the immediate area surrounding the new building in

the month of

October and have already started directing people of the location. The red doors have been a plus!

## CONFUSED MAN

One of the few men is a young Christian about a year old and has been struggling to prioritize the things of God. Over the holidays, he spoke with a relative who convinced him to doubt what he has seen in God's word. He is in need of study. We hope you will pray that he makes the time

## LADIES CLASS

The Ladies Class targeted a consistent visitor mentioned in the last report but she stopped visiting after sitting through a class on 1Corinthians 12 Spiritual Gifts . A connection remains through the member who initially invited her which has allowed us to send encouragements.

THE DATE IS SET!

May 13-15, 2022 will be PTP Spark Bahamas and we need YOU to come for that weekend to help us reach as many as we can on the island. Look for tickets to the local airport code FPO Consider the ferry from Fort Lauderdale at a lower cost.

PLEASE send me an email if you are interested. If you would like to come for the Spark we welcome you to stay a few more days work with us.

## HANNA FAMILY NEWS

We are thankful to have come to the end of another year in this work and are hopeful toward 2022 being filled with far more positive responses to the studies. We are looking forward to more help as groups visit and more encouragement as PTP Spark takes place. The children are well and we pray their health continues to be optimal.

Honour Able will be a year old at the end of January and is so very close to walking. He has taken a step on a few occasions but is a bit timid about venturing out on his own. We are thankful for his safe growth.

## Prayer Requests

Please pray for:

- More converts and opportunities in 2022.
- The new building to be completed soon.
- Ongoing studies.
- The men of the congregation to convert more men.
