

Mission Report for March 2023

Church of Christ Canaan, West Indies, Tobago.

The Sookdeo Family

Adrian, Emily, Linus, Persis, Ezra & Atara

We began the work at Canaan, Tobago in 2017 and we have been assisting the churches in Tobago ever since with the help of your Support. Thank You!

We are still MARCHing to Zion

This month was busy in terms of sermon and Bible class prep for me as brother Michael and his wife were visiting the US throughout March. We covered a lot of topics and generated a lot of interesting conversations in our sessions. These can be found on our Facebook page (see details below). My religious instructions sessions went amazingly well with good reception from my students. We had our final session for the term this month. We continue to be overwhelmed by your constant support to our work here in Tobago. We thank God for you and your blessings to our family. More growth continues to take place as well as the challenges within our congregation with some members lacking desire for the spiritual matters. We continue to work on that with God's help.

RELIGIOUS INSTRUCTIONS CLASS

This is a picture of our final session for the term. These are my students in Scarborough Secondary School and they are an amazing bunch, always ready to engage in our Bible conversations. We will resume Lord's willing when the new term begins.

SOME OF OUR LESSONS THROUGHOUT MARCH

Brother Michael and his wife were out of the country throughout the month of March so I conducted the Bible classes and preached the word in his absence. We looked at our spiritual walk on our Tuesday nights and on the Sundays, we covered several topics that was relatable and encouraging to the brethren. The men came together to do their part in ensuring that we gave God the best.

We invite you to come and worship with us
