Dear brother Dean Sanders

Many Godly greetings in Jesus Christ to you and all the God's holy people at Dalraida church of Christ. I hope that my newsletter finds you in safe and good health. I am taking this moment to convey my thankful greetings for all your kind help and support, I Always thank our God for every good deed you do and in my every prayer-making request for you all with joy and love. I'am writing this newsletter to share my gospel activity report for the last three months with you all, highlighting the ministry work and activities for that period and the challenges I faced.

I am happy to inform you that, from January to March -2024, through the power of the gospel of Jesus Christ, a total 23 men and women, realized that they were sinners, and were baptized for the remission of their sins. All the Baptized people, some are from various denominational church backgrounds and some are from the Hindu religion. From January to March, I was able to travel to 18 different villages in Telangana and in the Andhra Pradesh states of India. In the last three months of outreach work, i preached the word of God to different groups of people.

1. Work among the preachers :

In the last three months, with the help of local churches in different villages, conducted the preacher's Bible Study. We invited all the denominational and gospel preachers who live in the surrounding villages. Among them I taught the different lessons from the Bible. I taught the lessons on the Bible Authority, Lessons on Faith- 1. What kind of faith do you have? 2. You want to become righteous according to the faith in the law of Moses or, you want to become righteous faith according to the Law of Jesus?. During the Bible Study, I allow them to ask questions on the topic which i taught them. When i answered all their questions according to the word of God, many were very happy and realized that their preaching and teaching were not according to the word of God and some were obeyed the gospel of Jesus Christ and baptized for the remission of their sins. In the villages, where, the denominational preachers obeyed to the Truth, in that villages, we got into some trouble with those preachers who opposed our teachings of the word of God.

2. Night Time Gospel Meetings in the Villages :

In the nighttime meetings in the villages , I preached on topics like God's love, Repentance, God's eternal plan in creating man, and many other different lessons I used in my preaching to make them to realize the Truth in the bible and help them to repent and baptize for the remission of their sins

3. Free Bible Distribution :

In my last three months of gospel activity work in the villages, i also able to distribute several Holy Bibles to the newly converted men and women and to many Hindu families in the different villages

4. Local work in Hyderabad :

Every Sunday i preach in three different places in Hyderabad

1. Sunday morning 8:30 to 10:00am i preach the word of God in the Chandanagar church of Christ

2. Sunday morning 10:30 to 12:30pm preach the word of God among the church at Miyapur

3. Sunday Evening 5:30 to 7:pm i preach the word of God among the church at Beeramguda

5. Online Zoom Bible Study :

Monday to Saturday morning 6:00 am to 7:00 am, i teach the Bible through online Zoom. Every day through 45 above zoom connections,

approximately 120 men and women are learning the Bible Teaching the Bible through. With the help of online zoom classes, many denominational families realized that in the past that they were wrongly taught by their preachers and their parents and obeyed to the one truth in the Bible by taking the baptism for the remission of their sins

With the help and reference of the preachers and newly converted men and women, every month i am able to reach some new families in different villages to preach and teach the gospel of Jesus Christ.

After listening to the word of God, for many families, it becomes difficult to leave their idols, superstitions, and other man-made traditions. It always challenges me not to lose hope and patience to deal with those people who oppose the Truth and to those who disobey the commandments of God

I request you all, to pray for me and for all the efforts which i'am doing to preach the saving Gospel among the unsaved people in my country. Always thanks for your help and support and thanks for your prayer

I want to convey my apologies, if i'am not submitting the report, as per your measures. I request you please suggest me, if i had to include any information which i forgot to mentioning in my reports

Always thanks

in Christ
