Urgent Need!!

We are excited that **Remy and Mia Bullis** are moving here at the end of May to help with the work. But, they still need to raise about \$2,000.00 a month in support. It is not cheap to live here. Although there are lots of apartments in Littleton, finding one that is available is not easy. Most of the apartments cost about \$1,500 a month.

Monthly support or one-time support would help tremendously. Please send it to our sponsoring congregation and note on the check that it is for the “Bullis” family. Make the check out to Lakes Region Church of Christ and send it to: P.O. Box 261, Tilton, NH 03276. Whatever you can do will be a blessing to the Lord’s kingdom in an area where there are over 120,000 people with only nine faithful Christians.

God’s Providence Seen in New-Move-in Boxes

For about a year and a half, we have been delivering gift boxes to the new move-ins. One of our Mondays for the Master, we delivered several boxes. (That particular “Monday for the Master” was done on Friday. Mac and Laura delivered several, leaving the boxes at the door even if no one came to the door. Sure enough, Sunday afternoon, a lady walked into the Senior Center for worship. She had walked a good distance since she doesn’t have a car. She has continued to attend. She told us she had been thinking about where she would start going to church. God’s providence will bring seekers to those who have answers. We thank God and give Him the credit!

Another Case of God’s Providence

Near the end of the month Weezie and I were shopping at Khol’s in Tilton, NH and when we were ready to check out, it would have been a little distance to walk down and back to get to the check-out counters. When a employee

saw that she said, “Come over here, I’ll check you out at my register.” When we got there, Weezie and I do not remember what the lady asked, but my answer was “the church of Christ.” The lady said, “with a little c?” Of course, I said, “Yes.” Then she asked, “Do you know Dan Owen?” Of course, I’ve know Dan for many years. Long story-short, she said she was a member of the church and lived in another town and had been looking for a church of Christ in the area. We told her how to get to the Lakes Region church building. She said she was already scheduled to work Sunday, but that she would attend the next Sunday. Her connection to Dan Owen is that her best friend attends where Dan has worked for many years. We will see what becomes of this contact.

A Special Visit – Danny & Sheila Cash

Weezie and I were blessed to have Danny and Cash come for a short visit and spent the night with us and then worshipped with us in Lancaster and Littleton. He is an elder in the church in Martin, TN who help support us in our work here. The congregation wants to bring several couples up in the fall to work for the Lord in this area. They came just to check on the area and the possibility of bringing a group. We loved having them with us and they really enjoyed being with us. They were especially impressed with the singing, even though there were just 11 of us. They were the nicest people! We are looking forward to that group coming!

Fund-Raising Trip

April 24-27 I was blessed to attend the Cumberland Trace church lectureship in Bowling Green, KY. Their seminar is called "Equipped." The lectures were outstanding! I knew I would be blessed by attending, but I went with the express purpose of drawing attention to the need for the gospel to be preached in our area and to raise funds for our work. I talked with several individuals about helping us financially.

Visited Fellow Gospel Preachers

Since I was only three hours from Knoxville, TN I decided to visit a great friend, Mark Hanstein who has major health issues and has been "flat on his back" for about five months. We had a great visit. His father-in-law is Roy Lanier, Jr. with whom I have been friends about 50 years. I first met him when I went on a campaign to South Africa with him and about 65 others in 1968. He has been such a blessing to me. He will be 95 July 28. His mind is very sharp, and his body is pretty healthy. It was a blessing to me to get to visit with those two faithful gospel preachers!

When I planned the trip, I didn't know that it was also Southeast Biblical Institute lectureship. Will Hanstein, Mark's son, is the director of that school and I've known Will for many years. When he was a teen or maybe early 20s he went with me on a mission trip to the South Pacific. While spending part of a day at that lectureship I got to see some other

gospel preachers and long-time friends. That was my first visit to Knoxville.

Leaving there and heading to Nashville to fly home, I stopped to visit Ed and Lina Crookshank in Morrison, TN. They were missionaries in Africa and the South Pacific. I've worked with them many times in both of those areas of the world. He is 88. It was great to see them once again.

Encouraged – God Is Giving Fruit

God has blessed us with people who are interested in learning the truth. Mike, our new convert, has influenced a friend to begin worshipping with us on a regular basis and as I mentioned the lady who came as a result of receiving a gift box has also begun attending. We ask that you pray that we will have wisdom in dealing with these souls so that we can lead them to obey the gospel.

May is going to be a busy month. May 6th Weezie and I leave to go to Harding University to attend the graduation of Tiffany, one of our granddaughters. She is graduating from their nursing program. The Saturday following our return, Weezie speaks at a Ladies' Day at the Lakes Region church in Tilton and that same day, 16 "Razorbacks for Christ" arrive to work with us for about two weeks. Please pray that all these activities will bring God glory and have an influence for good to both saints and sinners in the area.

Thank You!!

Weezie and I are glad we are here and are enjoying the work tremendously! We know that this would not be possible without your prayers and financial support. You encourage us with those because it expresses the confidence you have in us. We thank God everyday for you. We appreciate the sacrifice you make so that we can do the Lord's work in this area where the gospel needs to be preached so desperately!
