

THE WRIGHT FAMILY

June is one of the busiest months around the Chimala church of Christ. Each June, the church hosts three seminars: youth, ladies, and preachers. These are always great times of fellowship and Bible study with brothers and sisters from around Tanzania.

We kicked off the month with the youth seminar. There were a little over 100 “youth” in attendance, from 33 congregations. Two young ladies, Mainda and Witness, made the decision to put on Christ after hearing the lessons at the seminar. We are thankful for them and continue to pray for their Christian walk. Next was the women’s seminar. Many of our ladies here in Chimala stepped up to teach wonderful, needed lessons for their sisters in Christ. We had a little over 100 women, from 33 congregations in attendance.

Finally, we concluded with the preacher’s seminar. Many preachers travel far to attend this needed seminar, but there are also some in attendance who just want to learn more about spreading God’s word. In total, there were over 50 men from nearly 40 congregations in attendance.

It is safe to say that all of those in attendance were blessed by the wonderful lessons brought in each of these seminars. How encouraging it is to see God’s people travel from near and far to hear His word.

Our family had the opportunity to spend a few nights on Ailsa this month, along with Ezekiel's family. It was a great chance to really check on the cattle, the land, and the work being done. Currently, we are still working on getting fire breaks set around the property. This is a vital work, as the dry season continues, and fire is a large threat on the mountainside. On Sunday, we were able to worship with Paulo, and even had three of the workers join us. They heard great lessons from both Lee and Ezekiel.

We want to give a great big thank you to those who have contributed to the cattle fund so far. We cannot thank you enough for your generosity. The cattle are doing great and we look forward to sharing the growing work with you in the coming months.

While many of the secondary students are out of school on a break, a small number remain at school to study (similar to what we would call "summer school"). We have continued to have our weekly devotionals with these students. While we have fun with just a small number of students, we look forward to everyone returning soon.

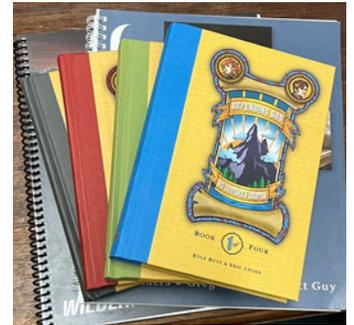

FAMILY UPDATE:

Brody's hens are finally laying eggs. He is currently getting between 5-10 eggs a day!

Emily has continued to impress us with her baking skills. Recently she made homemade fudge rounds that are even better than the packaged ones!

Both kids are thrilled to have finished school for the year and are enjoying a month off for summer! They faced many new challenges this school year, but they excelled! We are both very proud of them!

We have also been studying James and 1 & 2 Peter in preparation for the Bible Bowl next April. Next month we will also add in other studies for Lads2Leaders prep. A huge thank you to the Ackerly church of Christ, who sent us some study material we needed.

*In Christian Love,
Lee, Tara, Emily, & Brody Wright*
