Dear Brothers and Sisters in Christ,

Greetings to you all in the precious name of our Lord and Savior, Jesus Christ.

We are thankful to our God the Father for His abundant grace and faithfulness throughout the last three months (April-June). We sincerely appreciate your continued prayers, encouragement, and financial support, which have enabled us to continue preaching the gospel and strengthening the Lord's church in many villages, towns, and cities. **Your partnership in the gospel has made it possible for us to reach many souls with the saving message of Jesus Christ.**

- As the Apostle Paul wrote, "I thank my God upon every remembrance of you" (Philippians 1:3).

We are grateful for your faithful partnership in the Lord's work

Quarterly Overview

During the months of April through June 2026, we continued our regular evangelistic efforts by conducting gospel meetings, training preachers, teaching women and families, conducting personal and online Bible studies, distributing Bibles, and helping widows in need. God opened many doors for teaching His Word, and we were encouraged by the interest shown by many people from denominational backgrounds

1. Gospel Meetings

During this quarter, we conducted 10 Gospel Meetings in various villages and towns. These meetings provided wonderful opportunities to preach the gospel of Christ to people who had little opportunity to hear the truth.

The lessons emphasized:

- What is Salvation? Why we need salvation
- What do you think about Christ?
- Just shall live by Faith
- Where is your hope?
- Why Jesus died on the Cross?
- The authority of the Scriptures

Many visitors attended these meetings, including people from denominational backgrounds, Hindu families, and those seeking to know more about Christianity. After each meeting, several individuals remained to ask Bible questions and requested further study. We continue to pray that the seed sown through these meetings will bear much fruit for the kingdom of God

2. Preachers' Bible Study Programs

We conducted eight Preachers' Bible Study programs during this quarter.

Each session was attended by approximately 45–65 participants, including gospel preachers, denominational preachers, their wives and interested men and women from the different denominational groups

Among the subjects taught were:

- Lessons from the I Cor 2:1-16 (Wisdom of men and Wisdom of God)
- Glorious church (Eph 5:22-33)
- Building upon the Apostles' Doctrine (Eph 2:20-22)
- The Judgment Day (Acts 17:31)
- Is any kind of faith will please God? (Eph 4:4-5)
- To what kind of faith many priests obeyed in Jerusalem (Acts 6:7)

These studies generated many sincere questions. Both gospel and denominational preachers participated actively in the discussions. *By God's grace, every question was answered directly from the Scriptures, helping many better understand God's Word. Several denominational preachers expressed appreciation for the Bible-centered teaching and requested future Bible study classes.*

- Power of the mother
- Lessons from the book of James
- Lessons from the book Esther
- The prophetess Anna

Many women shared that these studies strengthened their faith and encouraged them to become better Christian wives and mothers

4. Personal Bible Studies

Personal Bible studies remain one of the most effective evangelistic efforts.

During this quarter, we conducted 13 personal Bible studies with individuals and families who desired to know the truth.

Many of these studies lasted several hours because the individuals who invited us, had numerous sincere questions concerning:

- Who is God?
- Why we should not directly pray to Jesus and Holy spirit
- Speaking in tongues
- Do the signs and miracles are sized or in active
- Lord's supper
- Women's responsibility in the church

It is encouraging to see people carefully comparing their beliefs with the Scriptures and seeking to follow God's Word.

5. Distribution of Free Holy Bibles

One of the joys of our ministry is placing God's Word into the hands of those who hunger for truth.

During this quarter, we distributed 15 Holy Bibles to newly converted men and women as a free gift.

- Receiving their own Bible encourages new Christians to: Read the Scriptures daily, Grow spiritually

Many recipients expressed deep gratitude because they could not have access to purchase a Bible

6. Benevolent Work :

Following the teaching of James 1:27, we continued to care for needy widows.

During this quarter, we helped eight widows by providing financial assistance to purchase:

- Food
- Medicines
- Basic household necessities
- These acts of Christian love not only met physical needs but also encouraged them spiritually. Many of these widows continue to worship faithfully and are deeply thankful for the love shown by the Lord's people

Purchase groceries -Buy essential medicines -Meet urgent daily needs

This work not only meets physical needs but also demonstrates the love of Christ. It creates opportunities to share the Gospel and encourage people spiritually. We request your continued prayers for this important aspect of the ministry.

I am very happy to share some encouraging news about a Muslim man named Hameed Uddin, who obeyed the gospel of Christ. Brother Hameed was first introduced to the church at Miyapur last year by his adopted daughter, Ramya, she a member of the Lord's church in Bhimavaram. While she was studying at the university and living in a hostel, she would bring her father with her to the worship services whenever she visited Hyderabad. After each worship service, Brother Hameed would ask Ramya many questions about the Bible and the Christian faith. When she was unable to answer some of them, she would contact me for help. Later, she brought her father to my home on several occasions, where we spent many hours studying the Scriptures together. We thank God that His Word has borne fruit in Brother Hameed's heart, leading him to obey the gospel. We pray that he will continue to grow in faith and remain faithful to the Lord. Please pray for Brother Hameed and for his daughter, Ramya, as they continue to grow in their faith.
